

## **Please don't do this:**

A **number** range of gardens are open to the public over the **two days** weekend. Most are open on both days, some for one or the other. Opening on just one day **gives** allows the garden owners to do **some** a little espionage around the village.

The gardens are mostly scattered around ~~our~~ the village. Sandford is a very large village, so getting between gardens at opposite ends of the village can take time.

## **Instead, simply do this:**
